BEVERLY SCHOLARSHIP HISTORY

Frank and Betty Vines Beverly used to live on 18th Street. They walked to church when it was located there. Because they had no children, they decided to endow a scholarship at FUMC Plano of which they were lifelong members. They lived very frugally and were unpretentious people.

Frank's father had a small filling station which Frank took over from his father. He then was a teller at the First National Bank. He was a loyal member and long-time secretary of the Masonic Lodge in Plano.

Betty was a teacher and then went to work for Harrington Furniture Store for years as a secretary. The Vines family had a farm where Vines Elementary School is now.
